

ROBERTO MEDINA

PROFESSIONAL SUMMARY

Multitalented software developer with experience in various software industries. Demonstrated excellent skills in Web Development, problem solving and Teamwork. True team player with strengths in adaptability and accuracy.

EDUCATION

Bachelor of Science, Software Engineering And Telecommunications, Expected in 08/2022

Atlantic Technical University (UTA) - Mindelo São Vicente, Cabo Verde
GPA :

WORK HISTORY

Software Developer, 06/2021 to Current
cvbooking.com - Mindelo , PR

- Collaborated with project managers to select ambitious, but realistic coding milestones on pre-release software project development.
- Designed intuitive graphical user interfaces using knowledge of serial communications and database design to improve user experience.
- Translated verbal customer requirements into written use cases and testable development stories.
- Pioneered new methods of code review to incorporate a wider range of voices, enhancing final products with ideas otherwise overlooked.
- Participated in cross-functional projects while working in lean development environments.
- Gathered and defined customer requirements to develop clear specifications for project plans.
- Collaborated on stages of systems development lifecycle from requirement gathering to production releases.
- Planned and developed interfaces that simplified overall management and offered ease of use.
- Developed software for both desktop and mobile operating systems.
- Coordinated with project management staff on database development timelines and project scope.
- Led version control efforts for organization, employing GitHub and other public and open source repositories.
- Introduced agile methodologies and development best practices to division to enhance product development.
- Participated in software field testing to verify in-situ performance of developed projects.
- Documented technical workflows and knowledge in private wiki for education of newly hired employees.
- Keep scripts and test cases updated with current requirements.

Classroom Monitor, 03/2021 to Current

Atlantic Technical University (UTA) - Mindelo, São Vicente, PR

- Helped classroom teachers and supported the overall center team.
- Developed good relationships with students and staff.
